

BARBARA

SAINT

Saint Barbara was really beautiful,
and she was also known to be smart.
Her father locked her in the tower.
He had a cruel and stubborn heart.

No friends were allowed to visit,
as she stayed there night and day.
Her father was against Christianity,
but her faith, he could not sway.

Her father was
so angry,
he ordered her
death and
set the date.
She plucked a
cherry branch
which bloomed,
and gave her hope
through her
unlucky fate.
