

# Saint Jude

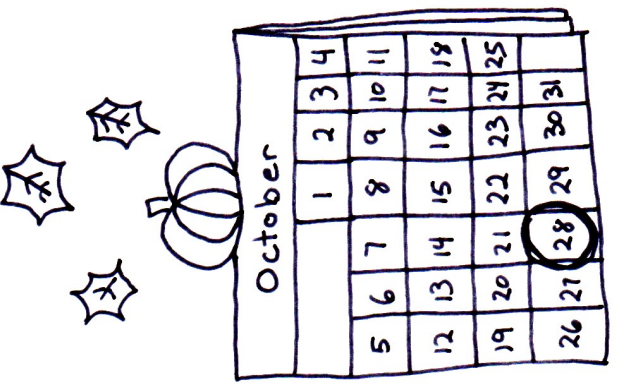

One of the twelve Apostles  
was Saint Jude.  
He spent lots of  
time with Jesus,  
they even shared food!

Saint Jude was known to be loving and zealous.  
He taught people to be humble, meek, and selfless.  
He preached the gospel to  
Jews in many places,  
and is known as the patron saint  
of hopeless cases.

His feast day is October 28.

Saint Jude suffered a  
martyr's fate.
